

Maths Activity

Focus on: (Area of Learning)

What you will need? (Resources)

Red, Blue, Yellow and Green Lego Bricks
Scissors
Communication Board

How to play the game? (Instructions)

- Pick out the colour of bricks you will need.
- Count your bricks.
- Cut out your sheet.
- Follow the sheet to make the pattern with the bricks.
- Use the communication board to encourage, counting, colours and craft vocabulary.

Can I make it harder/easier? (Differentiation)

To make it easier use less bricks.
To make it harder try a different pattern.

Pattern One

How many patterns can you complete?

Can you build a tower that looks like this?

Pattern Two

How many patterns can you complete?

Can you build a tower that looks like this?

Pattern Three

How many patterns can you complete?

Can you build a tower that looks like this?

Pattern Four

How many patterns can you complete?

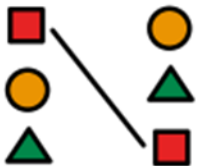

Can you build a tower that looks like this?
