

Step 1:

Follow the link which will bring you to the school home page.

Step 2:

Hover over the home learning tab (don't click)

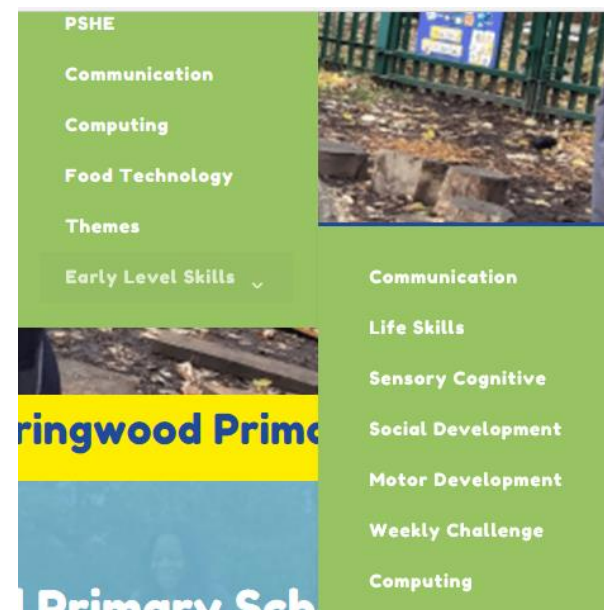

Step 3:

Scroll down the tab to find **Early Level Skills**

Step 4:

Click on any of these tabs: **Communication; Life skills; Sensory Cognitive; Social Development; Motor Development; Weekly Challenge; Computing**

Step 5:

When you decide which of these you would like to go on just click on the tab.

Here I clicked on **Motor Development**

The screenshot shows the Springwood Primary School website. The header is blue with the school logo and name on the left, and contact information for Swinton and Craig Hall on the right. Below the header is a green navigation bar with links: Home, School Information, Parents, Children, Governors Information, Outreach, Home Learning, Curriculum Overview, Policies, and News. The main content area has a yellow background. On the left, the text "Motor Development" is displayed in pink. Below it is a button labeled "Feely Bag Game". To the right of this button are two more buttons: "Term Dates" (orange with a calendar icon) and "Letters Home" (purple with an envelope icon). A red arrow points from the "Feely Bag Game" button towards the right side of the page.

Step 6:

Click on the activity you would like to complete.

Each week more will be added, so make sure you keep coming back to have a look.
