

Step 1:

Follow the link which will bring you to the school home page.

Step 2:

Hover the home learning tab (don't click)

Step 3:

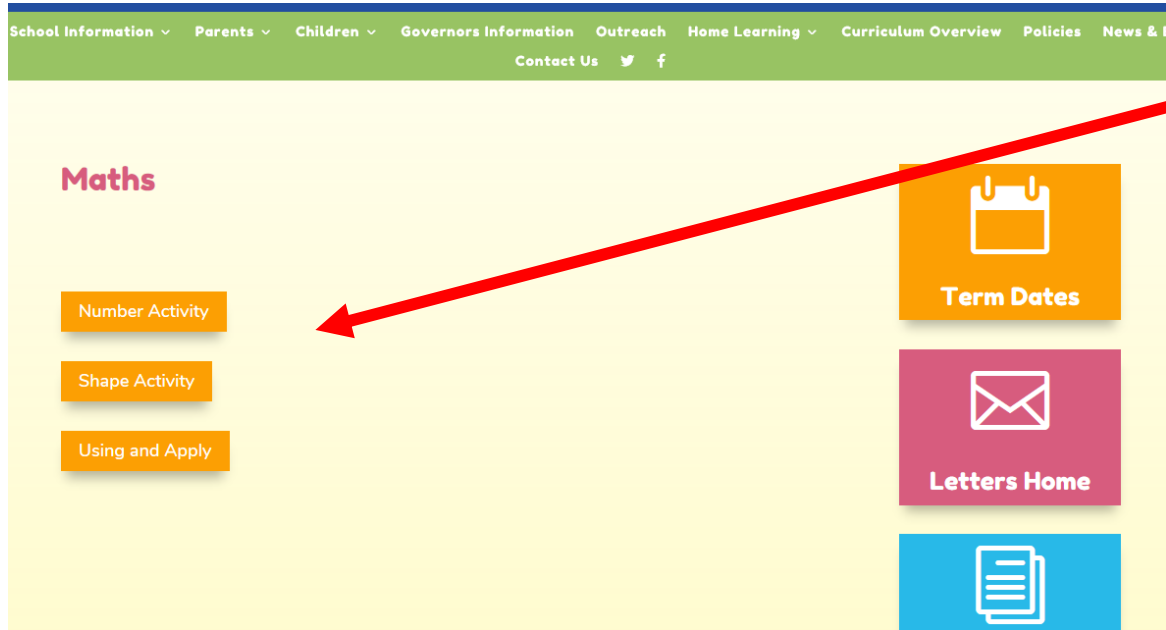

Scroll down the tabs: **English; Maths; Science; Weekly Challenge; Physical; PSHE; Communication; Computing; Food Technology; Themes**

Step 4:

When you decide which of these you would like to go on just click on the tab.

Here I clicked on **Maths**

Step 5:

Click on any activity you would like to complete.

Each week more will be added, so make sure you keep coming back to have a look.
