

People who help us ChooseItMaker activities

Below are some ChooseItMaker codes which link to the Flowers theme 'People who help us'.

There is a variety of boards which will support your child to:

Match different pictures of people who help us

Recognise different people who help us

Answer questions relating to people who help us

To access these resources at home you first need to download the ChooseIt! Maker3 app from the relevant app store (iTunes, google play, etc) and then input a code. You should then be able to access this resource. Further instructions can be found on the information sheet on the school web site.

Codes:

Matching pictures : **QCYLQG & CLGBMU**

Recognising different people who help us: **WYHRUA**

Answering questions about people who help us: **WUVMR**
