1. Introduction

The Governing Board regards the School buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aim of the Governing Board is to support the School in providing the best possible education for its pupils, the promotion of equality of opportunity and the community cohesion of the local area. Any lettings of the premises to outside organisations will be considered with this in mind.

2. Charging

- It is the policy of this School that no charge will be made for any activity which is an essential part of the curriculum or for a public examination.
- All parents will, however, be asked to make a voluntary contribution for Educational Visits. The School will give parents/carers adequate notice of any visit and the costs involved in order that they may make contributions over a period of time if necessary.
- It is the policy of this School that a charge can be made for optional activities such as after school clubs.
- The cost of any voluntary contribution should not exceed the actual cost of the trip or visitor.
- All monies are to be recorded in accordance with the Finance Policy.
- Parents/carers will be given the option to pay for voluntary contributions/school meals/school uniform etc either by cash, cheque (made payable to Springwood Primary School) or by paying online through the Sims Agora online payment website.
- The minimum payment made through the online payment website is £1.00. All transaction fees will not be passed on to parents/carers but will be paid through the School's budget.
- Any commission made from selling products to parents/carers will be accounted for within the School budget or the Friends of Springwood accounts.

3. Remission of Charges (Families qualifying for remission or help with charges)

In order to remove financial barriers from disadvantaged pupils, the Governing Board has agreed that some activities and visits, where charges can legally be made, will be offered at no charge or a reduced charge to parents/carers in particular circumstances. This Remissions Policy sets out the circumstances in which charges will be waived. Parents/carers in receipt of the following may qualify for remission:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance

- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- Pupil Premium entitlement.

4. Lettings - Policy Objectives

The Governing Board adopts, endorses and recognises the following principles:

- a) That School premises represent an immense capital investment and should be fully utilised.
- b) School is a valuable community resource.
- c) Educational usage of education premises constitutes a natural priority.
- d) That a profit margin would be welcome when derived from private or commercial usage but this is not the objective when facilitating education activity by designated users.

5. Priority Usage

The Governing Board has adopted the following categories of priority user:

- a) Designated Users.
- b) Private Users: those who are not Designated Users will be Private users.

6. Administration of Lettings

The Governing Board recognises that it would be impossible to personally vet every applicant or organisation who wishes to make use of the School premises. Accordingly, it has delegated the authority to accept applications for hire to the following Designated Person: **School Business Manager**. A booking request should be completed and a record of all enquires should be kept on file.

7. Application for Designated Status

The Governing Board has delegated its power to determine designated status to the Resources Committee, who will exercise discretion on its behalf and determine applications. The outcome of such decisions will be reported to the Governing Board each term. The School Business Manager will arrange for a list of approved organisations to be maintained. This does not preclude the Resources Committee from referring sensitive applications to the full Governing Board at its discretion.

The following activities fall within the corporate life of the School. These activities are not considered to be lettings and costs arising from these users are therefore a legitimate charge against the School's delegated budget:

- Governing Board meetings.
- Extra-curricular activities for pupils organised by the School.
- School performances.
- Parents/carers' meetings.
- Meetings of the Friends of Springwood
- Friends of Springwood organised events.
- Services provided by partner organisations such as SRFT.
- Cubs and Beaver events.
- Social Committee meetings/events.

8. Lettings Documentation

All formal hiring of the School premises, including those for which no charge is made, shall be properly documented. All hirers will be given a copy of the Conditions of Hire and **must** complete a Letting of Hire request (Appendix 1).

Once dates have been agreed by the School, the Hire Agreement, which is a contract that the Governing Board may enforce at law, will be issued to the Hirer. The Lettings Contract should then be signed and returned to the School (Appendix 2). If the letting relate to hiring the carpark, Appendix 3 should be used.

If staff/hirers are given key holding responsibility, an appropriate key holding contract must be completed prior to the keys being released. Contracts for keys should be no longer than one year for private hirers or for the length of the employment contract for Springwood staff (Appendices 4 and 5).

9. Scale of Charges

In arriving at the Scale of Charges, the Governing Board have followed the following principles:

- a) That statutory users will be charged an amount commensurate with cost recovery.
- b) That designated users will be charged no more than cost (it is permissible to charge designated users at less than cost/or nothing provided that the subsidy is generated from other lettings at cost plus income).
- c) That private users will be charged on a cost plan and income margin for the School.
- d) That there will be parity of treatment for similar users.
- e) That overall the cost of letting School facilities will be recovered from users.

For the purpose of charging, the Headteacher is empowered to determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.

10. Value Added Tax

The Governing Board is constrained by law to apply VAT to all transactions where this is appropriate. VAT will be chargeable unless a minimum of ten sessions have been booked.

11. Minimum Charges and Deposits

The minimum hire period will be 1 hour.

The Governing Board reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition necessitating incurring additional cost for cleaning, caretaking or other expenses.

A charge of £25.00 will be issued for any lost keys. This is to cover the administration and replacement of locks/keys.

12. Cancellations

The Governing Board and Designated Person reserve the right to cancel both Designated and Private Users' Hire Agreements should it be found that the Hirer or persons associated with the Hirer are found to be bringing the School into disrepute or by jeopardising the School's integrity or ethos in any manner.

Wherever possible, the Governing Board or the Designated Person will endeavour to give Designated and Private Users as much notice as reasonably practicable in the circumstances should the premises become unavailable for hire. The Governing Board and/or School will not be responsible for any costs that may be incurred as a result of this cancellation of use.

The Governing Board will seek to recover any cost incurred by the School, which are unavoidable and result directly from the cancellation of a letting. Details of the charges are shown in the scale of charges.

In the event of a closure of pool facilities, we will endeavour to inform the relevant stakeholders as soon as possible and no charge will be made on these occasions.

13. Payment Methods

The Governing Board is mindful of its responsibilities in safeguarding the School from bad debt. Therefore, payment at the time of bookings is the norm or invoiced monthly for regular users. Cheques, BACS or cash are acceptable, but cheques should wherever possible be supported by a guarantee card. In all cases, where cash is paid then an official receipt must be issued.

14. Indemnity & Insurance

The Hirer agrees to indemnify Springwood Primary School, its employees and agents against all actions, proceedings, claims, damages, awards or costs in respect of loss, damage, death or personal injury during the period of hire. The indemnity must be covered by public liability insurance (min £10 million) and include property damage extension which will allow for a claim for damage to the property and fire damage to premises and its contents. It will be necessary to produce documentary evidence of the cover when booking.

15. Induction

All hirers must attend an induction before using the premises (see Appendix 6).

16. Security

The Governing Board will not normally insist upon continuous caretaking presence. However, it reserves the right and delegates power to the Headteacher to insist upon caretaking presence where in his/her view the nature of the hiring may leave the School vulnerable to theft or damage.

17. Conditions of Hire

- 17.1 The Hirer will be responsible for the proper use of the School and must take all reasonable precautions to ensure that there is no damage to the fabric of the buildings, furniture and fittings, or School equipment.
- 17.2 No equipment is to be brought onto the Premises without prior written permission e.g. hairdryers, music systems etc. All electrical equipment permitted must be PAT tested and have a current PAT test certificate.
- 17.3 If School hoists are to be used then the Hirer must receive training from an authorised member of Springwood Moving and Handling Team before use.
- 17.4 The Hirer must be advised that they cannot rely on the School's risk assessments for any activities carried out during the letting and must complete their own risk assessments, a copy of which must be held by the School. A copy of the School's Normal Operation Procedures (NOP) and Emergency Evacuation Procedures (EEP) will be made available to the Hirer.

- 17.5 The Hirer must comply with all laws relating to the Premises and the occupation and use of the Premises by the Hirer, including but not limited to Health and Safety legislation.
- 17.6 The Hirer should, as far as is possible, have an accurate list of those present.
- 17.7 The Hirer must ensure they are aware of the Fire and Emergency Evacuation Procedures and the location of the fire exits. These will be clearly displayed in each of the designated areas.
- 17.8 It is the responsibility of the Hirer to ensure first aid equipment and trained personnel are available. Walkie talkies are available for communication between the Site Manager and Hirer. The Hirer must organise their own fire procedure and have their own accident reporting documents, to be available on request.
- 17.9 Fire exits must not be blocked or locked, nor should furniture, equipment or other obstructions be placed in corridors during the hiring.
- 17.10 The Hirer must use only that area of the building hired and must observe any instructions given by the School concerning the area available. Any furniture or equipment moved by the Hirer should be returned to its original position at the end of each session.
- 17.11 The Hirer is responsible for ensuring that good order is kept on the premises, respect for staff and other users is shown, and that the premises are left in a clean and tidy condition.
- 17.12 No food or drink may be prepared or consumed on the property. All litter must be placed in the bins provided. No alcohol and/or illegal substances shall be brought on to or consumed on the premises.
- 17.13 The whole of the School premises, including car parks and grounds, are non-smoking areas and smoking is not permitted.
- 17.14 Use of the car park is at the owners own risk.
- 17.15 Children must be supervised at all times and not left unattended.
- 17.16 Springwood is a working school; safeguarding procedures would dictate that no groups or individuals will be allowed on the premises until after 3.30pm.
- 17.17 The Hirer must communicate the rules and procedures set out in this Policy to its members/users. A failure to do so may restrict future use of the facilities, which may lead to the Hire Agreement being terminated.

18. Review of Policy

The Governing Board will review this Policy each year along with the scale of hire charges for the forthcoming financial year.
