

SPRINGWOOD PRIMARY SCHOOL PLAY AREA

Welcome to the Springwood School play area and facilities.

We have designed and built this play area so that it can be used by disabled children and their families.

The facilities include an accessible toilet and a changing room. These are in the school, and the entry door adjoins the outdoor play area.

HEALTH AND SAFETY

We want this play area to be safe and secure for everyone who uses it.

It is monitored by CCTV.

Parents and carers of disabled children will need a fob pass to gain entry to the play area.

These can be obtained from:

Springwood Primary School

Barton Road

Swinton

Salford

M27 5 LP

Tel: 01617780022

To obtain a pass you will need to telephone the school to make a collection appointment. You will need to bring a copy of your child's EHCP as proof of eligibility. There is no charge for the fob pass.

We would like to ask everyone who uses the facilities to ensure they are left in a clean and tidy condition.

Smoking is not permitted anywhere in the school grounds.

Salford City Council reserves the right to remove a fob pass from any person who misuses or causes damage to these facilities.
