

Semi-Formal Learners Homework Grid - Animals, Spring Term.

Please see some suggested activities that you may wish to engage your child in at home to further enhance their experiences and learning in our topic this term. If you have any photographs or feedback to share, we would love to see this. Please send to your child's class teacher via Weduc.

Read/watch a story about under the sea.
On our Springwood YouTube channel we have Dear Zoo which you could share at home.
ALD boards are also available for you to print and use in the comments section.

Why not try making some animal themed biscuits or cakes. You could weigh the ingredients out and mix it all up. Don't forget to let class know how yummy they were.

Using a paper plate, you could make your own scary lion and practise your fine motor skills by snipping round the plate to make a mane.

Make your own jungle or safari animal sensory tub.

Animals Spring Term

Maybe you can visit your local park or zoo and take photographs of the animals you can see.

Have fun making handprint animal crafts.

Many baby animals are being born at this time of year. Go for a walk and see if you can find any lambs.

Could you make your own farmyard?
