

Primary PE and Sports Grant Premium Report 2025 - 2026

Total amount allocated for the academic year 2025 – 2026:	£19,370.00
Total available to spend:	£19,370.00
Total actual spend:	£19,370.00

5 Key Areas of Improvement

1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed.
2. Increasing engagement of all pupils in regular physical activity and sporting activities.
3. Raising the profile of PE and sport across the school, to support whole school improvement.
4. Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls.
5. Increasing participation in competitive sport.

Academic Year	Amount Allocated	% of Allocation	Date updated
2025-2026	£2640	13.6 %	July 2026
Key Area of Improvement 1 Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed.			
Aim	Actions	Impact	Actual Spend
To improve staff confidence in delivering dance to our pupils.	External dance coach to work across the sites alongside staff to deliver engaging dance sessions.	Staff will be more confident in delivering dance within the PE curriculum, ensuring high-quality provision for all pupils.	£2640
Evaluation: Staff reported increased confidence in planning and delivering dance lessons following their work alongside the external coach. Staff developed a wider range of strategies to engage pupils, including the effective use of music, props and lesson structures. This has enhanced staff expertise and will support the sustainable delivery of high-quality dance provision across the school.			Total:14 (%)

Academic Year	Amount Allocated	% of Allocation	Date updated
2025-2026	£13,170	67%	July 2026
Key Area of Improvement 2 Increasing engagement of all pupils in regular physical activity and sporting activities.			
Aim	Actions	Impact	Actual Spend
Development of a sensory space at the Swinton site	Re-development of sensory space at the Swinton site	Space has been designed to enable pupils to access more opportunities to regulate through swinging and climbing.	£12,500
Continued access to bikes and trikes	Ongoing maintenance of the bike resources	Pupils will have access to safe and accessible bikes and trikes when accessing the bike track area.	£670

Evaluation: The sensory space has been designed and is scheduled for completion during the summer break. Once fully operational, it will provide increased opportunities for pupils to access vestibular and proprioceptive activities, supporting self-regulation, sensory needs and readiness to learn. Ongoing maintenance of the bike track and cycle fleet has ensured consistent access for pupils throughout the year. This has enabled regular participation in cycling activities, supporting the development of balance, coordination, physical fitness and confidence.	Total: 67 (%)

Academic Year 2025-2026	Amount Allocated £750	% of Allocation 3.8 %	Date updated July 2026
Key Area of Improvement 3 Raising the profile of PE and sport across the school, to support whole school improvement.			
Aim	Actions	Impact	Actual Spend (including %)
To maintain membership with Salford Sports Partnership and apply for Gold Sports Award.	Pay membership for Salford Sports Partnership PE lead to gather evidence and apply for award.	Ongoing professional development for staff. Links with other primary schools.	£750
Evaluation: This has provided continued links within Salford in relation to PE and sporting events.			Total: 4 (%)

Academic Year 2025-2026	Amount Allocated £2810	% of Allocation 14.5 %	Date updated July 2026
Key Area of Improvement 4 Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls.			
Aim	Actions	Impact	Actual Spend (including %)
To provide additional opportunities for all pupils during healthy living week.	Resources purchased to support activities during Healthy Living Week as well as having a long-term benefit to PE lessons within school.	Pupils across all 4 sites engaged in a range of sporting activities including a sponsored Goalathon.	£1460
To increase access to swimming opportunities for pupils across the different pathways.	External provider from AEG Swimming.	2 classes have accessed a term each of swimming lessons.	£1350
Evaluation: Healthy Living Week was highly successful across all sites, with pupils engaging in a range of activities designed to promote physical wellbeing, healthy lifestyles and positive mental health. The themed approach, including			Total: 15 (%)

Movement Monday, Together Tuesday, World Cup Wednesday, Thoughtful Thursday and Foodie Friday, provided varied opportunities for pupils to explore different aspects of healthy living in an enjoyable and accessible way. Swimming provision has been further enhanced through the support of a specialist swimming coach with expertise in working with pupils with SEND. This has enabled the development of a more inclusive and engaging swimming curriculum, increasing pupil participation, confidence and progress in the water while ensuring activities are tailored to meet individual needs.

What percentage of Y6 pupils could perform safe self-rescue in different water-based situations when they left last year?	0	0%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming. Have you used it in this way? We have hired an external Swimming coach to support with swimming lessons within our hydrotherapy pool in school. This has provided more specialist teaching of swimming for pupils who have been unable to access swimming offsite.
